CSA SHARE COMMITMENT

Members of the CSA will receive a weekly share consisting of approximately 1-2 shopping bags (shares will vary in size and weight depending on the time of the season). One aspect of CSA is that members support their farmer by sharing in the inherent risks of agriculture (poor weather, drought, crop failure, etc.) and the rewards (organic, exceptionally fresh vegetables, the bounty of a good season, etc.) involved in farming. CSA farmers purposely plan for such contingencies; the farmers use growing techniques that protect the harvest to minimize the risk and optimize the rewards. On the whole, members will get a wide variety of vegetables in plentiful amounts.

I understand this principle and agree that there is no guarantee on the exact amount or type of produce I will receive in my share. By participating in the CSA, I am supporting the local farmer as well as more equitable food distribution, and I am helping to create a more environmentally and economically healthy society.

By becoming a member, I agree to support the farm with timely payments. I commit to picking up my share(s) weekly and I understand that if I, or someone I designate, is unable to pick up my share(s), they cannot be saved for me, but will be donated to local families in need.

The amount listed is paid to the farm for the season's vegetables. A share lasts for 20 weeks- from mid-June through mid- October, for \$575 local pick up, and \$650 for long distance delivery.

All of our CSA Shareholders are also members of our farm organization:

Your membership to our farm organization as well as our CSA helps us fulfill our mission of working towards providing educational opportunities for farmers of diverse abilities. Members are cordially invited to our Farm Family Days and Harvest Party.
